		Comments and Facilities		Comments and Facilities		Comments and Facilities		Comments and Facilities			1	2	3	4	5	6	7	
54	Y	Whilst believing that the majority of the money should go towards building the new Peldon Village Hall I would like to see some investment in St Stephen's church to improve facilities. I'd like to see an improvement in the kitchen facilities (e.g. an oven/hob) and possibly a change of flooring so that fitness activities can go ahead. Other good activities may be pottery classes, Christmas events such as gingerbread house making etc.	Y	I would love to see the majority of the money going towards building a new village hall in Peldon for the joint use of both Wigboroughs and Peldon. The hall is currently damp, leaking, and unhygienic and needs to be replaced. So many of the events that already take place in the hall; are as a result of a joint effort between the two villages, such as the Peldon panto where approximately half the cast and the director are all from Wigborough.	N	N				Samba, Panto, Cricket match, Quiz night, Nativity	C	B						

No.	Y/ N	B - Church	Y/ N	C - PVH	Y/ N	D - Land in Wigs	Y/ N	E - Invest	X	Z	Preference ranking							Finally	
		Comments and Facilities		Comments and Facilities		Comments and Facilities		Comments and Facilities			1	2	3	4	5	6	7		
55	N	There has already been recent development of kitchen/toilet facility and pews removed. With limited parking I don't feel this area can be extended any further.	Y	A great shared space for Peldon and Wigborough residents especially young families. Kitchen that could run cookery courses for children and adults. Separate office/conference room with IT facilities that could be hired out.	N	Could a separate facility to the Peldon hall financially be supported by enough use?	Y	Only if option C does not go ahead.		5 or 6	C	E							See "Finally" Tab
56	Y	The church has already been used as a venue for community events with great success and it makes sense to ensure that it is developed for as wide a use as possible.	Y	Inhabitants of the Wigboroughs already use Peldon Village Hall regularly and it is clear that two village halls would not be sustainable. It therefore makes complete sense for the funds to be pooled and a shared hall built.	N	I do not understand why this project is being considered given the rejection of Project A. The village is not large enough to support building its own facilities and it makes no sense to divert "a large proportion" to this rather pie in the sky plan when there is a viable, costed, proper village hall plan (project C) 2 miles down the road.	N			Beer tasting, wine tasting, cricket match, FotW AGM, Peldon panto. 5 Parishes Show, Peldon Festival.	C	B							See "Finally" Tab

98	Y	I don't attend church but may attend community events. I'm not aware of the size of the nave and so not sure what could be held there. However I believe we should preserve our beautiful & historical buildings	Y	Though if it is to be our community Village Hall it should be renamed accordingly and more information given out to tell us how we use/hire the hall or run clubs.	Y	Though I would be happy to see suggestions of what the land could be used for (if the idea of a Wigboroughs Village Hall has to be discounted?)	N			I attend baby groups in Langenhoe & Copford weekly, an exercise class in Birch Village Hall weekly. Various children's parties - rarely in my own parish though!	B	C	D						
99	Y		Y		N		N			Sadly Only one - working too many hours!	B	C							See "Finally" Tab
100	Y	I feel that the church is the centre of the village. Last year's events were very well organised so more in a similar vein. Is there an area where children could play safely together.	Y	It would be a sensible option	N	I think this would cost more money than would be available	N	Not really the answer		6	B	C							See "Finally" Tab
101	Y	But not all of the funding available from the sale of the hall and only if Option C is not followed.	Y	One good hall in the villages far outweighs the sum of two smaller facilities. The Peldpn hall may not otherwise get all the funds it needs.	N	What facilities could be provided that couldn't be provided at St Stephens other than a children's playground	Y	But only as a short term policy. Any interest generated would not be enough to fund many events and where would they take place?		5 I think Of course I would continue to support local events	C	E	B

	Y/ N	Comments and Facilities	Y/ N	Comments and Facilities	Y/ N	Comments and Facilities	Y/ N	Comments and Facilities			1	2	3	4	5	6	7	
102	Y	A small percentage should be used as a donation other than for just the fabric of the church	Y	This seems the most advantageous plan, with special hiring rates for Wigborough residents as Peldon residents receive now. I am sure the Peldon VH Committee would say it is becoming increasingly difficult to attract people to all events. I don't think there would be enough use of a separate hall in the Wigboroughs.	?	Other than a child's play area there are limited community uses. There will not be enough to fund the building of a hall and the continued fund raising necessary may not be well supported for other projects. Perhaps a child's play area, not much more.	Y	Sounds a good idea but with low interest rates what could be expected. All fund raising at the moment is for the church ultimately. The capital sum is not likely to grow enough for a really major project in the future.		Cricket match, Wigs Christmas bazaar, Peldon Festival, PVH fund raising concert, Truan Trust coffee morning, Peldon church lectures, PVH fund raising dinner at Peldon Rose, member of PAWS, member of Peldon Carpet Bowls Club	C	B	E	D				

Answers to Question X

16	Sponsorship? Local person with outstanding skills to be helped financially (to be agreed by a Committee).
32	No - I want to entirely support project C
88	To look for land possible better location.
90	Other than religious ceremonies I would like to see some use made of Little Wigborough Church (my 10% allowance)
91	Keep looking for other land investment

Long statement from respondent 19 in support of Project B

In the absence of a “Traditional Village Hall”, the Wigboroughs need a central focal point meeting place, which is theirs and where the heart of the community spirit can be centred. A public space, where the polling booth is located for elections.

The Wigboroughs have such a building and public space – St. Stephen’s Church. It was built in the 14th Century for exactly this purpose. It is by far and away the most beautiful and inspiring building for miles around. It also has breathtaking views from the only public outside space in the Village. It has wonderful natural acoustics and a large versatile space that held 147 people for a concert in 2010.

The PCC have offered this wholly sustainable space to the community. If the existing assets of the Nave are built upon as follows, we end up with a versatile, multipurpose space, which is alive and flourishing.

Improvements

1. An Oak floor.
2. An improved, wirelessly operated heating system that is economical enough for our small community to run.
3. Improvements to the Car Park. (The PCC has this covered.)
4. Improvements to St. Stephen’s Lane.
5. Exterior car park and pathway lighting.
6. More storage – Possibly this could be an “Essex” boarded timber hut/shed located in the Churchyard.
7. Updated electrics to cope with the 21st. Century needs to include broadband/internet access and eventually an extra large T.V. screen for interactive talks/lectures/screenings etc.

Activities

1. To build on all the existing activities that already take place, organised by the Church, PCC and FOTW.
2. A Village central meeting place.
3. Location for the Polling Station.
4. Build on the natural acoustics and therefore a centre for music – anything from piano/organ lessons to coral/music band practice groups – Musicians workshops, concerts etc.
5. Fairs/Bazaars/Farmers Markets etc.
6. All kinds of workshops – whatever the local community is missing. Approach local groups like PAWS to research what is missing and what they would need to hold meetings and use the nave.
7. I.T. workshops: - Anything from help for the over 60’s, (like you can get if you go to an Apple store “one to one session”), supervised kids homework afterschool workshops. Digital Photography, Art Summer camps as a jumping off space to explore the Marshes etc. etc.

8. Zuma, Pilates, Yoga etc. (There is already a Buddhist group that meets at St. Stephen's.)
9. Sewing/Tapestry etc. workshops/ groups. Flower arranging etc.
10. Carol singing, Easter Egg Hunt and other festival activities. Cub scouts.

8	Funds should be used for benefit of Wigborough only, if used on Church or Peldon Village Hall they will be lost as part of non-specific Wigborough Village projects.
10	I feel really strongly that the money should stay in Wigborough and I have joined PCC and would be willing to be actively involved in the functions at the church or possibly hall although I don't think Wigborough needs a new hall there is not enough people to maintain and support it. The people who helped with the hall over the years and donated money would definitely not want the proceeds to go to Peldon hall. The events last year at the church were well supported and Friends of the Wigboroughs run good events there too.
11	I was recently at Peldon V, Hall and noticed a photo of the building taken down to make way for the new prefab. How about a better design this time, an attractive building that the village can be proud of and not a box to serve a purpose. And thanks to all doing this.
14	I've just come back from the Broadband launch at PVH - it was packed and another practical demonstration of why it is so much better to work together and pool our resources, "Peldon and Wigboroughs Community Hall".
16	I realise we are not great "mixers" but feel this is a wonderful village and worth preserving for the future.
32	I am utterly unable - and have considered this carefully - to understand the case for developing community facilities (Project D). If this was in any way viable we would not have a completely derelict Village Hall.
34	Unfortunately leaving the area but all the best for the future.
41	I am willing to help with functions in the church as a venue
42	I would like the money to be used for something in Wigborough
50	This person ticked the "let the Committee decide" box.
52	This should be quite a simple process as we have the structure of strong communities and venues already in place i.e. St Stephen's/St Mary's already able to host a wide range of events having had recent improvements made and PVH as the official Village Hall (theatre etc). This existing structure works. St S's is well invested but needs selective improvements and PVH needs to start from scratch and therefore should take first place.
53	Modern village life is such that large scale independent and exclusive facilities cannot work. Facilities need to be pooled. Together Peldon and Wigs provide sufficient population and fund-raising fire power to make a joint village hall work for the benefit of all. Those who somehow feel that Wigs and Peldon should be kept separate are misguided and blind to modern realities - there are simply NO justifiable reasons for isolationism.
55	I feel it would be a shame to try and segregate the Wigboroughs from Peldon as the two areas are so close and many families already share events and relationships. To keep 'village events' well attended I feel a shared community space is the best solution moving forward.
56	I think it is very important that the WVHMC recognise that one cannot view the Wigboroughs in isolation. - we are two small villages which are part of a wider community where we work, shop, go to school etc. To restrict the money to projects strictly within the Wigboroughs when our neighbouring village is attempting to build facilities from which we would all benefit would be very short-sighted.
58	I think that in adding Wigboroughs proceeds to the Peldon Village Hall campaign would speed it up and therefore the Peldon Village Hall would be done much faster. In turn both villages would benefit and joint committees would get the jobs they wanted doing done much faster and this would greatly benefit both communities.

Entries in the 'And Finally' section.

59	I would like some funds to be available for the Church and the rest to go to Peldon Village Hall. This way we have a meeting place in our village and also a new hall that will get built sooner and benefit both our villages.
63	Disappointed that the decision has been made to sell the land of the original site. If possible I would want that decision re be reviewed. I believe that whoever gave/donated the land that their original objectives for the land should be followed.
66	Main investment in St Stephens Church community events, developing nave area e.g. new flooring. Then some investment in PVH so that Wig can take an active joint role in larger community events or those events not suitable for taking place in a church setting.
74	To develop the nave area to enable community events to be held in St Stephen's church would be very beneficial. Some investment support in developing Peldon Village Hall to enable larger events/functions to be held and/or those events not suitable for taking place in a Christian church building.
82	Well done and thanks to the Committee for all your hard work. You will NEVER keep everyone happy but at least you are trying to do the right thing as you see it!!
88	Need more info before deciding priorities
90	One excellent village hall in Peldon should be a priority with a joint village committee running it.
91	I do not believe the sale of the Village Hall should take place till there is a firm plan in place that will benefit all sections of the community and will be supported long term and maintained. I have to say that for 25 years living next to the Village Hall only once that I can remember one other person cutting the grass etc. The rest of the time I have taken care of this.
99	There are numerous funding streams available that may be worth considering to increase the funds and the quality of any project - happy to help if required as I regularly submit applications in my day job.
100	If it is to be joined with Peldon I do hope Wigborough will not feel the outsiders
