

Community Pages

A community is made up of many factors but mostly it is about people.

- People in sports & other activity clubs,
- People volunteering, providing services or running events,
- People running businesses,
- People serving in official roles.

These pages are intended to allow you to showcase your club, business or community role, do you have something to share, be it links and information about local clubs, organisations and groups or businesses in the Winstred Hundred area? If you run a local club or group and would like to be listed here please let the [Clerk to the Parish Council](#) know.

As well as people, we also have parks, play areas, & other facilities – in fact if you can think of any local amenity you value then please pass it on to others by contacting the parish clerk to provide a description on this site.

Peldon May Festival

The Peldon May Festival is an annual event featuring a range of activities and events over a weekend including:

- Punch & Judy,
- Kids activities and much more.

The event is run by the Friends of St Mary's Peldon.

Friends of St Mary's , Peldon

The Friends of St. Mary's Peldon is a charity (no. 1114809), formed by volunteers, on a non-religious basis.

St. Mary's needs various repairs, restorations and improvements, but the cost cannot be met by the congregation and the grants available. So it falls upon the wider community to fill the funding gap, otherwise this historic church could deteriorate further and eventually close.

The Friends of St. Mary's is an active fundraising group determined to not let this happen. Since 2006 we have raised over £45,000 for church projects. But more needs to be done so we can pass this church to the next generation in good order. We intend to do just that, and enjoy ourselves along the way!

Wigborough Traditional Meats

Wigborough Traditional Meats

As Wigborough Traditional Meats we have been retailing our own produce for over 10 years. A family run farm based at Garr House Farm, Layer Road, Gt. Wigborough, Colchester CO5 7RR we have a finishing herd of pigs, a flock of breeding sheep, a suckler beef herd plus some laying hens.

Phil puts in the most hours on the farm followed by stockman and gardener Bob. Kate's time is divided between farm and retailing whilst the elder generation represented by Bobby are kept active feeding farrowing houses twice a day. If the financial incentive is sufficient the younger Gladwins ; Rosie, Harry and Toby can be found either on the farm or in the shop.

Our Pigs

The pigs are housed on straw in large pens, the main ingredients of their rations, which we home mix, are locally grown wheat and barley. They are Large White x Landrace and we breed all our own replacement stock.

Our Sheep

The sheep lamb indoors at the end of March then graze outdoors, the lambs being 'finished' on home grown barley.

Our Suckler Beef Herd

The calves are born and reared here to an Aberdeen Angus bull. They are grass fed outdoors, coming indoors for winter and calving. The cows are a mixture of breeds including; Hereford, Charolais, Red Poll and Angus cross.
